fyi guys...

I sent a note back to Lorraine saying we could discuss the FS at 11:30 and asked her what data she was looking for....

haven't heard back yet. don't know what this is about.

Bonnie,

CEASE would like to add discussion of the Feasibility Study including specific data, the timeline for public comment and decision making by EPA, specific data that we believe should have been included in the FS, data that we have requested by that has not been forthcoming and the timing of the release of the FS.

Thank you.

I've put together a suggested agenda for the July 11 meeting. Please let me know if there are other items which should be included.

PLEASE NOTE: Channel 4 News requested information about this meeting and will likely attend since it is an open meeting.

See you Thursday.

IWORKING GROUP MEETING
THURSDAY

July 11, 2002

SWANSEA RECREATION CENTER

2650 EAST 49TH AVENUE

9:00 AM- Noon

Background:

Since our last meeting, there has been local and national media coverage regarding the Superfund program's budget for remedial action and how VB/I-70 was affected this year. Our first agenda item is to discuss the budget for cleanup work and provide the working group with the facts concerning VB/I-70. Roger Hoogerheide has agreed to attend this meeting and answer questions about the budget process. He did this at our meeting on March 21 and everyone found it very h New! SBC Yahoo!
